SAFETY DATA SHEET AND ATTACHMENT

R.D. 1076/1993, DIRECTIVE 07/548/EEC

1. - SUBSTANCE IDENTIFICATION

- **Commercial name:**  *packaged asphalt agglomerate.*
- **Company:** *Aglomerados Dos R, S.L.*

2. - FIRE-FIGHTING MEASURES

Extinction means: Any means appropriate for type of fire.

Special risks: None.

3. - MEASURES IN THE EVENT OF ACCIDENTAL SPILL

Individual precautions: None

Environmental precautions: Avoid spillage

Cleaning methods: Collect and reduce if possible or cover with sand and eliminate as debris in an authorized tip

4. - HANDLING AND STORAGE

Handling: With care, avoiding spillage.

Storage: No compatibility problems with packaging materials.

5. - TOXICOLOGICAL INFORMATION

Inhalation:..... No cases recorded

Swallowing:..... No cases recorded

Contact with skin:..... May cause irritation

Contact with eyes:..... May cause irritation

Sensitization:..... No cases recorded

Carcinogen effects:..... No cases recorded

Mutagenic effects:..... No cases recorded

Toxic for reproduction:..... No cases recorded

6.- ECOLOGICAL INFORMATION

Product not hazardous for the environment.

7.- RAW MATERIALS AND CHARACTERISTICS

- **Bituminous emulsion ECM-1.**
- **Porphyric aggregate maximum size 8 mm.**

8.- EXPOSURE CONTROLS / PERSONAL PROTECTION

Breathing protection:..... None

Hand and skin protection:..... None

Eye protection:..... None

9.- IDENTIFICATION OF HAZARDS

Ignition due to heating at temperatures exceeding 300 ° C.

10.- FIRST AID

Exposure channels:.....Contact with eyes.

Symptoms:..... Soreness, irritation.

Instructions:.....Wash with abundant water. Do not rub eyes.
Consult a doctor.

11.- PHYSICAL AND CHEMICAL PROPERTIES

Aspect:..... Blackish brown

Smell:..... Asphalt

PH:..... 4

Boiling point:..... Not applicable

Melting point:..... Not applicable

Flash point:.....> 300 ° C

Spontaneous combustion point:..... Not applicable

Explosion hazard:..... Not applicable

Vapour hazard (20 ° C):..... Not applicable

Apparent density (20 ° C):.....1.000 Kg / m³

Solubility in water (20 ° C):..... Insoluble

12.- STABILITY AND REACTIVITY

Conditions to avoid:.....None

Materials to avoid:.....None

Hazardous decomposition products:.....None

13.- CONSIDERATIONS REGARDING ELIMINATION

Product is not considered toxic waste, therefore it may be eliminated as non-toxic, observing local or national regulations. Recipients may be eliminated or recycled.

14.- TRANSPORT INFORMATION

No special precautions for any means of transport (road, rail, sea or air).

15.- REGULATION INFORMATION

No regulations exist regarding this product.

16.- OTHER INFORMATION

This data sheet completes the product technical data sheet, however, it does not replace the same. The Company is not liable for compliance of that set forth herein, since it is unable to control the conditions of use.

The receiver of this product, under his/her own liability should observe the corresponding regulations and standards.
